Time first Round—round with fewest penalties with the fastest time wins. Rails are 4 penalties, refusals 4 penalties. No round with more penalties can beat one with less even if that ride achieved a faster time.

Jump off--1st round must be clean for jump off round to be scored, rails in jump off round are 4 penalties as are refusals. Riders with jumping penalties in the first round may continue to jump off but it *will not be scored*. Rider remains in the arena and waits for jump judge's whistle to begin jump off portion after competing 1st round. Fastest jump off time with fewest penalties wins.

Optimum time--round closest to optimum time and with fewest jumping faults wins. Optimum time will be determined by meters per minute speeds used in eventing show jumping. Same

penalties assessed for rails and refusals as other divisions. In all classes a fall is elimination from that class but not from the division.
